

# Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally identifiable information' (PII) is being used online. PII, as used in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

## **What personal information do we collect from the people that visit our blog, website or app?**

When ordering or registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number, credit card information or other details to help you with your experience.

## **When do we collect information?**

We collect information from you when you register on our site, place an order, subscribe to a newsletter, respond to a survey, fill out a form or enter information on our site.

## **How do we use your information?**

We may use the information we collect from you when you register, make a purchase, sign up for our newsletter, respond to a survey or marketing communication, surf the website, or use certain other site features in the following ways:

- To allow us to better service you in responding to your customer service requests.
- To quickly process your transactions.
- To send periodic emails regarding your order or other products and services.

## **How do we protect visitor information?**

Our website is scanned on a regular basis for security holes and known vulnerabilities in order to make your visit to our site as safe as possible..

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

We implement a variety of security measures when a user places an order enters, submits, or accesses their information to maintain the safety of your personal information.

All transactions are processed through a gateway provider and are not stored or processed on our servers.

### **Do we use 'cookies'?**

No

## **Third Party Disclosure**

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information.

### **Third party links**

Occasionally, at our discretion, we may include or offer third party products or services on our website. These third party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.

### **California Online Privacy Protection Act**

CalOPPA is the first state law in the nation to require commercial websites and online services to post a privacy policy. The law's reach stretches well beyond California to require a person or company in the United States (and conceivably the world) that operates websites collecting personally identifiable information from California consumers to post a conspicuous privacy policy on its website stating exactly the information being collected and those individuals with whom it is being shared, and to comply with this policy. - See more at: <http://consumercal.org/california-online-privacy-protection-act-caloppa/#sthash.0FdRbT51.dpuf>

### **According to CalOPPA we agree to the following:**

- Users can visit our site anonymously
- Once this privacy policy is created, we will add a link to it on our home page, or as a minimum on the first significant page after entering our website.
- Our Privacy Policy link includes the word 'Privacy', and can be easily be found on the page specified above.

Users will be notified of any privacy policy changes:

- On our Privacy Policy Page

Users are able to change their personal information:

- By emailing us
- By calling us

## **How does our site handle do not track signals?**

We honor do not track signals and do not track, plant cookies, or use advertising when a Do Not Track (DNT) browser mechanism is in place.

## **Does our site allow third party behavioral tracking?**

It's also important to note that we do not allow third party behavioral tracking

## **COPPA (Children Online Privacy Protection Act)**

When it comes to the collection of personal information from children under 13, the Children's Online Privacy Protection Act (COPPA) puts parents in control. The Federal Trade Commission, the nation's consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

We do not specifically market to children under 13.

## **Fair Information Practices**

The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur:

- We will notify the users via email within 7 business days.
- We also agree to the individual redress principle, which requires that individuals have a right to pursue legally enforceable rights against data collectors and processors who fail to adhere to the law. This principle requires not only that individuals have enforceable rights against data users, but also that individuals have recourse to courts or a government agency to investigate and/or prosecute non-compliance by data processors.

## **CAN SPAM Act**

The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

We collect your email address in order to contact you about your order.

To be in accordance with CANSPAM we agree to the following:

If at any time you would like to unsubscribe from receiving future emails, you can email us at and we will promptly remove you from ALL correspondence.

## **Contacting Us**

If there are any questions regarding this privacy policy you may contact us through the contact information provided.
